

# Brush your teeth, teeth, teeth!

*To the tune of 'Miss Mary Mac, Mac, Mac'*

We use our teeth, teeth, teeth,  
To munch and crunch, crunch, crunch.  
We bite and chew, chew, chew,  
To eat our lunch, lunch, lunch.

So, we must brush, brush, brush,  
Teeth twice a day, day, day.  
To keep them clean, clean, clean,  
And stop decay-cay-cay.

We clean our teeth, teeth, teeth,  
We clean them right, right, right.  
So now they're strong, strong, strong,  
And white and bright, bright, bright!
